**How our sale is going to work:**

This will be a low key no pressure bull and heifer sale that is transparent to allow all our valued customers a chance at every animal we have to offer. Please note NO bulls will be purchased or available before the January 4<sup>th</sup> sale date. We will pen the bulls by the base price from \$2,500 to \$4,000. If you are interested in a bull, you will need to put your bidder number on the clip board associated with that bull before that start of the sale at noon. If more than 2 people are interested in the bull, there will be a bid off between those people that have their number on the clip board and those buyers only and we will raise the bid by \$100 increments until the bull is sold. If you are the only person interested in a bull, you may buy him at the base price. The buyer can also pass on a bull if they have already purchased one. The heifers that will be guaranteed bred before pickup or delivery will be sold in the same manor with the base price of \$1,800 to \$2,000. All the cattle will be in there working clothes as you would see them in our pasture. The cattle will not be clipped or be ran through a sale ring.
